

mye-coach Tracker System

Our Tracker system is an effective and efficient way of assessing and supporting your coaching or mentoring programmes at a low cost whilst providing you with the ability to quickly and simply gain an overview of budgetary spend, activity and development themes.

Benefits include:

...to the Organisation

- A consistent and focused approach to coaching or mentoring across your organisation
- Immediate access to management data and the ability to view activity and spend
- A non-intrusive means of managing your internal and external Coaches / Mentors
- Accurate and up-to-date information on current and future spend
- Access to a vast range of coaching tools which can be tailored to your specific need

...to the Coach / Mentor

- A quick, simple and professional way of managing Coachees and their coaching programmes
- Direct links to a vast range of coaching resources and development tools
- An efficient way of capturing and agreeing outputs from each "coaching conversation"
- A secure, confidential way of sharing documents and emails with the Coachee

- The ability to access required information to support CPD/Coaching Supervision

...to the Coachee / Mentee

- A structured and focused approach to their personal coaching
- The ability to monitor and better manage long term development issues, needs and goals
- The option to share personal documents securely and confidentially online with their Coach / Mentor
- A secure means of communicating via email with their Coach / Mentor
- A central, secure location to store personal and developmental documents
