

Matcher system

Our Matcher system offers all the benefits of our Tracker system PLUS it provides more advanced functionality to enable organisations and coaching networks to easily manage the request, selection and matching process.

Additional Benefits include:

...to the Organisation

- A simple way for the people within your organisation to request coaching online
- A quick and easy way for your people to review and select coaches from your internal and external coaching pool
- Enables your administrators to control all requests and approval for coaching and therefore effectively manage the coaching budget
- The ability to view coaching request details and see, at a glance, what stage each request is at
- A simple and effective way to view Sponsor details and contact them if required

...to the Coach/Mentor

- The facility to provide detailed information on their skills, experience and background to potential Coachees
- The ability to hide their profile from new coachees when not available or once full capacity has been reached
- Option to view the request details of each potential coachee

- Enables your coaches to communicate with potential coachees regarding their requests
- The ability to approve or decline requests for coaching

... to the Coachee/Mentee

- The ability to read about and understand coaching and to assess whether it is appropriate to their needs
- Access to a number of coaching resource documents informing and educating the individual about coaching
- The option to request coaching and to gain approval easily and quickly without layers of bureaucracy
- The ability to review all internal and external Coach profiles and create a shortlist of favourites
- The facility to request coaching directly with their preferred Coach
